## DID YOU KNOW?

- The Town of Hanna is the only government body the HSAR receives funding from. That grant and donations from amazing people like you make up the majority of HSAR funding.
- The HSAR is proudly a "no-kill" shelter. This means no animal is put down unless medically necessary and veterinarian-recommended.
- The HSAR spays/neuters EVERY animal in our care to help prevent overpopulation.
- Anyone over 14 years old can apply for a HSAR membership to help guide our organization into the future.
- The HSAR is a registered charity! This allows us to issue charitable tax receipts for donations.
